What are your key objectives for exhibiting?

Do you need specific areas for product display? If yes, please give details of product specification etc.

Do you need any specific areas for multimedia/ workstations/ demo's etc?

Are you launching a new product or service at the show and does the stand need to reflect this?

Is there anything else not covered in the above which we need to be aware of before starting the stand design?

A man with a beard and short brown hair, wearing a tan coat, is walking on a city street. He is looking back over his right shoulder towards the camera. The background is a blurred city street with other people and buildings. On the left, there is a large, out-of-focus image of a woman's face. On the right, there is a vertical blue bar with white text.
